CHAIRMAN'S WELCOME

Welcome to Te Miro MTB Clubs Waikato Bay of Plenty Schools XC Mountain Bike Champs.

It is with great pleasure that our club brings this race to Te Miro for the 3rd year in a row.

I would like to take this opportunity to thank our very generous sponsors **Sign Logic and Alitech Windows and Doors** who have both jumped at the opportunity to get behind a MTB event aimed to encourage our youth to get outdoors and onto their bikes.

A huge thanks to those that have been working tirelessly behind the scenes to pull this event together, and to all of the volunteers that will be helping on the day.

I hope you all have a competitive and enjoyable day and come back again to ride at our beautiful park.

Regards

Shane Mellow

On behalf of the Te Miro MTB Club Committee

GENERAL INFORMATION

ENTERING

This is to be done through the school sports co-ordinator or teacher in charge of MTBing who will have been sent the link for entering. Any sports co-ordinators who haven't received the link or any home schooled children wishing to enter please email temiroevents@gmail.com for more information.

Entries open on the 4th of February and close on the 7th of March. There will be no on the day entries sorry.

RAIN OFF DAY

In the case of really bad weather the race will be postponed until the following day, the event will likely still go ahead in rain as MTBing is an all weather sport, if there are extremely high winds the event will be postponed for rider safety in the trees.

RACE BRIEFINGS

These will be done at the start line 10 minutes before each race and are compulsory for all riders.

PRE RIDING THE RACE COURSE

The track can be pre-ridden on the day prior to 9am. All riders must be off the track by 9 am to allow the marshals to get into position safely. The track can be ridden anytime in the weeks prior to race day. A map of the course can be found at the back of this event manual.

COURSE DESCRIPTION

The XC course is approx 3km long. It is predominantly a Grade 2 track with approx 60 meters of vertical climbing. It is suitable for most inexperienced riders.

There are 2 relay courses, one for years 5 - 8 and one for years 9 - 13. This has been done to prevent junior racers from being on the same race course as big scary college kids! The junior relay course is short, fast and relatively flat. The senior course is short with one steepish climb.

LAPS

Competitors are responsible for keeping track of their own laps.

Year 5 and 6 boys and girls will complete 2 laps.

Year 7, 8 and U15 girls and boys will complete 3 laps

U17 and U20 girls will complete 4 laps

U17 and U20 boys will complete 5 laps

Laps are subject to change in adverse weather conditions or time restraints.

PARKING

Most parking will be in the farmers paddock opposite the main car park. There will be parking marshals and signs in place, please follow their directions. There will be a drop off zone in the main car park, please use this to drop children, bikes and gear off before parking in the paddock. THERE ARE TO BE NO CHILDREN CROSSING THE ROAD. Please use the drop off zone to drop and pick children up.

THERE IS TO BE ABSOLUTELY NO PARKING ON THE SIDE OF THE ROAD.

RACE MARSHALS

Each school that enters 3 or more racers is required to provide 1 marshal with a hi vis vest and small 1st aid kit. Marshals with a current 1st aid certificate would be preferred but it is not essential. Marshals can choose from 1 or all of the following time slots:

Slot 1 - 9 am to approx 11 am. This covers the year 5 to 8 races

Slot 2 11 am to approx 1:30 pm. This covers the U15, U17 and U20 races

Slot 3 1:30 to approx 2:45 pm. This covers the relay race

MEDICAL EVENTS

NEMS medical services will be onsite in case of an emergency. They will be positioned at the registration area.

Please make sure that all participants have any relevant medication with them and that the teachers or parents in charge have a hard copy of emergency names, contact numbers and any medical conditions with them.

RIDER APPAREL

As this is a school event please wear your school riding kit or school colours. PE tops are fine.

SCHOOL TENTS

We advise you to bring a school tent as there is limited shade available. Tents can be placed on the grass but please check with an official before you put your tent up.

COMPULSORY EQUIPMENT

Correctly fitted helmets and covered in shoes area must. NO helmet or shoes = no racing. Please make sure all bikes are in good working condition, we recommend checking brakes and tyre pressure before you race.

RESULTS

A link to the official results will be posted on the Te Miro MTB Club FB page as soon as possible after the race.

FOOD AND DRINKS

There is no running water on site so please bring enough to last you the day. There will be a sausage sizzle and cold cans of drink for sale, please bring cash.

HEALTH AND SAFETY

Please bring your own sunblock, hats etc
THERE IS TO BE ABSOLUTELY NO SWIMMING IN THE LAKE.
